EWEA 2013 VIENNA

EUROPE'S PREMIER WIND ENERGY EVENT

4 - 7 FEBRUARY

# Maximize your EWEA 2013 exposure

## – the Official show daily does the work!

**EWEA 2013 is the premier annual wind event and will be held in Vienna from 4-7 February 2013. Over 10,000 professionals from around the world are expected to attend and experience the power of the wind energy industry. Recharge has again been chosen by EWEA to produce the official show dailies at this premier event!**

Recharge has won much praise for its show dailies at leading international industry events such as All-Energy, European Future Energy Forum and EWEA 2012 in Copenhagen etc. Our recipe for success has been to mix editorial coverage of the show in question with quality breaking industry news from around the world. Whether you want to alert participants to your booth number, build brand awareness, strengthen your company profile, buy or sell goods and services or recruit professionals – the Official EWEA 2013 show dailies will get your message across to all visitors, conference delegates and exhibitors alike!
